

# Office 365 Suite

All Queensland state school students can download multiple free copies of the latest Microsoft Office 365 to their personal home computers and mobile devices.

## Download, update to and install Office 365

*Note: these instructions were created using Google Chrome. Your experience may differ slightly if using a different browser.*

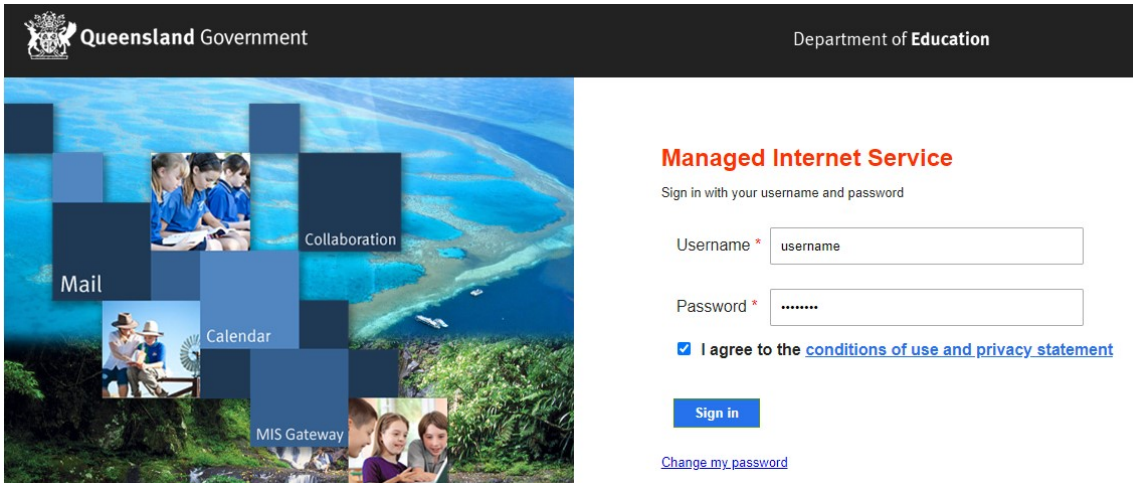

1. Open internet browser and navigate to <http://portal.office.com/ols/mysoftware.aspx>
2. You will need to **log into** the Office 365 home page using your EQ details. **Type** your @eq.edu.au email address.
3. **Click Next.**

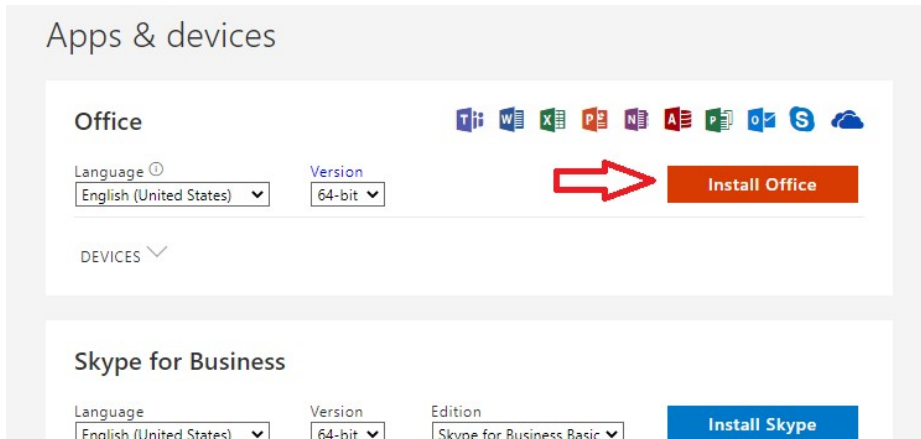

4. You may be prompted for your EQ username and password on the online authentication popup. **Type** your username and password.

- On the “Managed Internet Service page, **enter** your username and password. **Click** if you agree to abide by the relevant Conditions of use and privacy statement, and then **Click** Sign in.

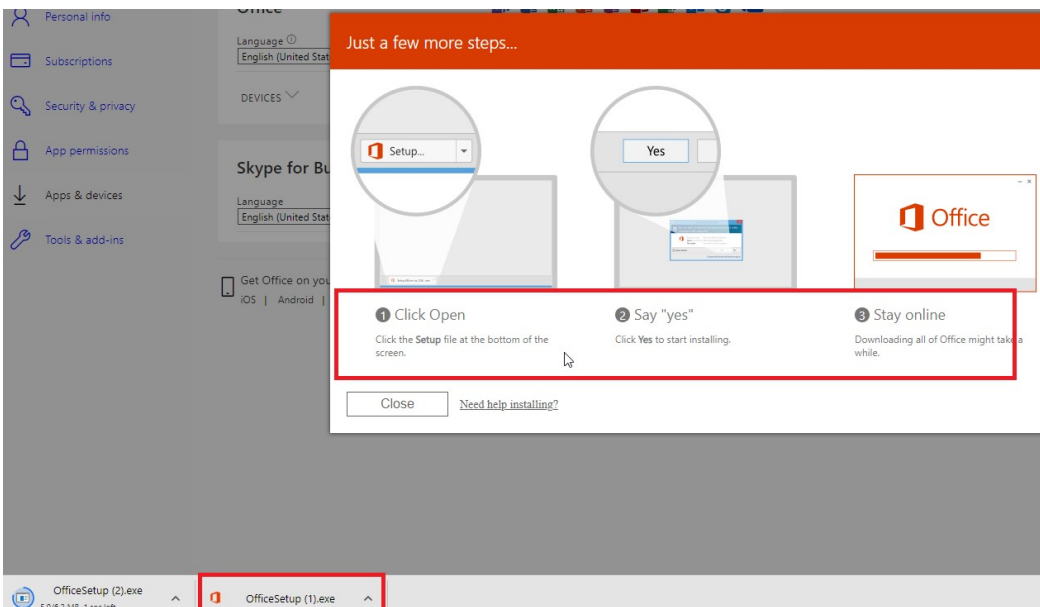

- The Office 365 homepage will load and give you the option to ‘Install Office.’ **Click** on the ‘Install Office’ button.

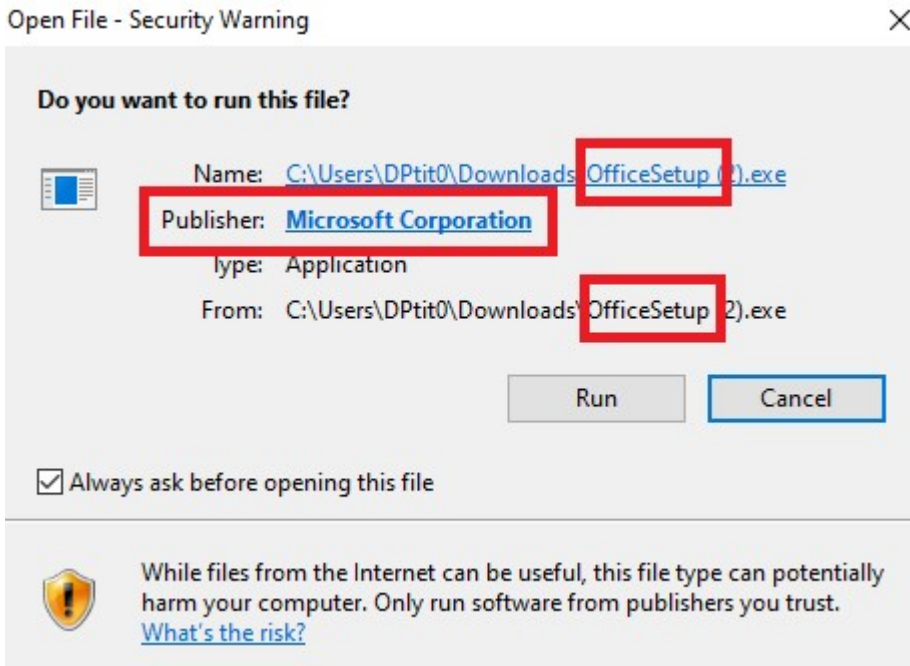

- A new screen will appear, and a file will download, as below. Ensure the name is a variant of “OfficeSetup.exe”. Having a number simply means it has been downloaded more than once.

- When the file has completed downloading, **click** on the file to run it.

9. You will be prompted with a message to Confirm that you want to run the program, as below. Ensure the Name and from are a variant of "OfficeSetup", and the Publisher is "Microsoft Corporation", and then **click** Run:

10. Office will start downloading.

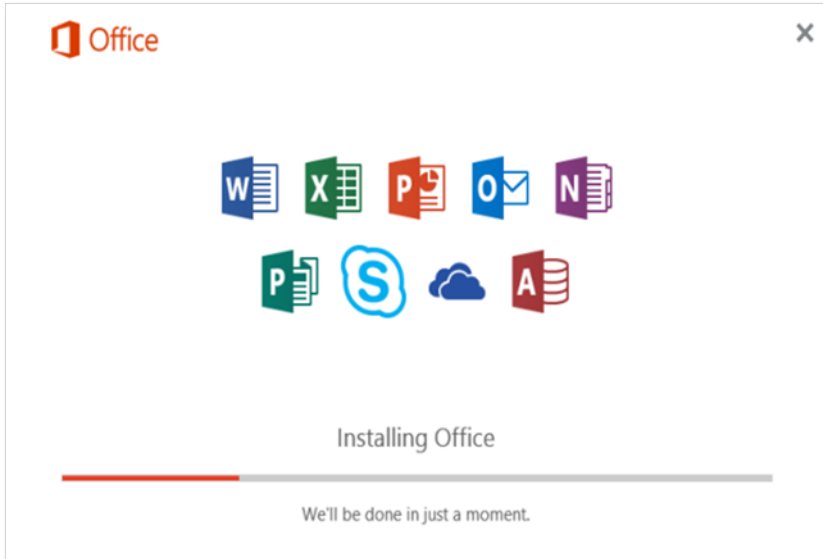

You will also see the office icon pop up on the task bar.

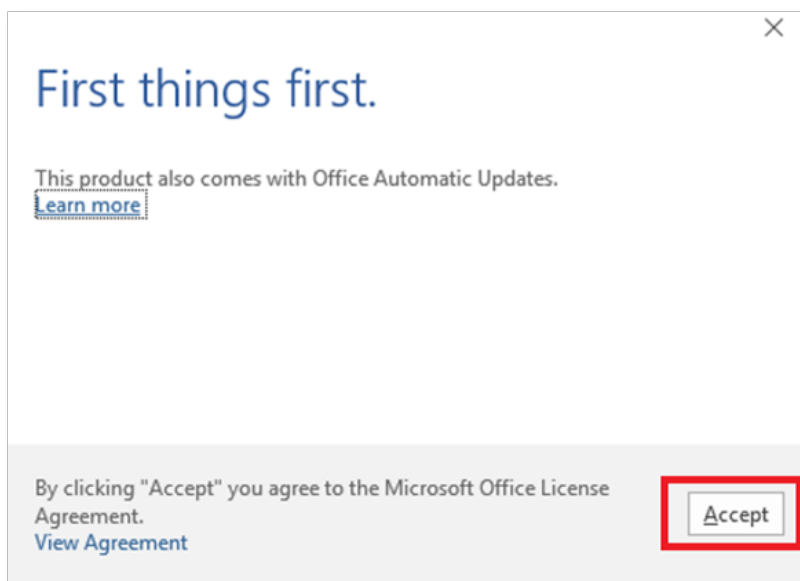

- Office ProPlus 365 will start to install onto your computer, wait for this to finish.

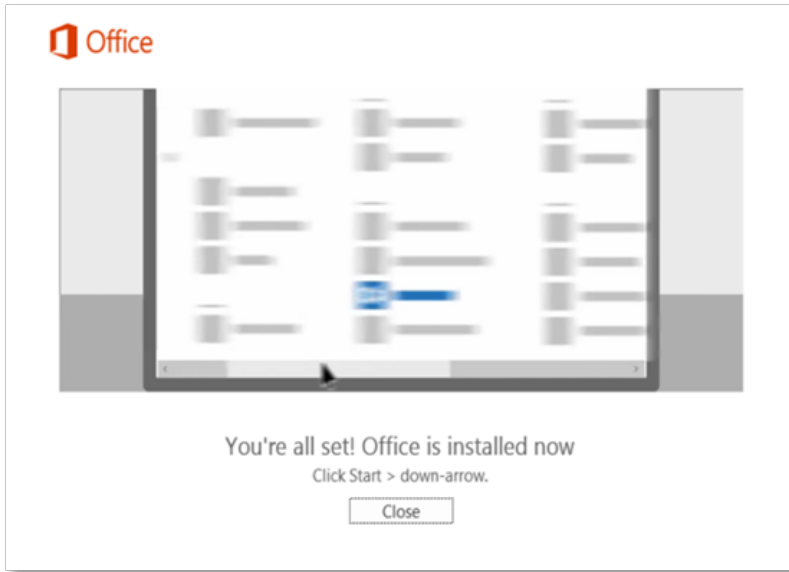

**Note:** If you currently have Office 2013 installed, ensure all Microsoft applications are closed during the installation. You may be prompted to close all Microsoft applications if they are still open.

- You will be prompted with the Microsoft Office License Agreement. **View** Agreement and **click** Accept.

13. After Office 365 finishes installing, a message will appear to inform it has completed. **Click** 'Close'.

After you click close, we recommend restarting your computer to ensure all changes have applied successfully. Your Microsoft Office ProPlus software is now ready for you to use. This software is only for personal devices and will remain available to use while you are a State School Student

If you experience any issues downloading and installing the software, contact ICT Services at the school.
